

## HOWER ENDORSED FOR COUNTY POST

Association Asks That He Be Chosen for Office of Treasurer.

## GROUP SEES JOHNSON

The Lower Merion-Narberth Republican organization made its first formal bid last week for a place on the slate of county leader Charles Johnson in the primaries on September 20, when it endorsed William G. Hower, publisher of a Bryn Mawr weekly, for the position of county treasurer. The action was taken at a meeting of the Republican Association of Lower Merion and Narberth held in the township building at Ardmore.

The resolution naming Mr. Hower, was presented by Colonel Erskine Bains, Cynwyd committeeman. It went into some detail in reviewing the record of candidate Hower. Seconded by William J. Byrnes, of Ardmore, it passed without a dissenting vote.

On the following morning, Saturday, the resolution was taken to Norristown by the Township Treasurer, Peter C. Hess, president of the association, and presented to leader Johnson. Accompanying Mr. Hess, as members of a committee, were William J. Byrnes, Jr., of North Ardmore; Commissioner George W. Brown, of Bala; William J. Smith, of Bala; Thomas Hammonds, of Bryn Mawr; D. H. Silvert, of Bryn Mawr, and Squire I. Warner Arthur, Rosemont committeeman.

## HOLY NAME MEETS

Quarterly Conference Meets in Narberth First Time.

For the first time in the history of the parish, the Quarterly Conference of the Holy Name Union of the Archdiocese of Philadelphia was held at St. Margaret's, Sunday afternoon. Several hundred delegates, representing branch societies in all parts of the city and its environs, were in attendance, and it was said that the selection of Narberth for the assembly was a recognition of the strides which the organization of the local parish had made during the last few years in establishing a numerous and virile membership.

The visitors were welcomed by Henry P. Carr, president of St. Margaret's Holy Name Society.

## KAEBER-TROTTER

The marriage of Miss Marian Elizabeth Trotter, daughter of Mr. and Mrs. Thomas Conarroe Trotter, Jr., and Mr. Clarence Raymond Kaebler, will take place at 7 o'clock this evening in the Baptist Church of the Evangel. The Rev. Robert E. Keighton will officiate.

Mrs. Ethel T. Shryock will attend her sister as matron of honor, and the bridesmaids will be Mrs. George Laird Riddle and Miss Edith Johns Humphreys, of Easton, Md.

Mr. Clarence Kaebler will serve as best man for his son and the ushers will include George Hoskins Babb, George Laird Riddle, Kenneth Conarroe Trotter and Robert T. Martin.

A reception will follow the ceremony at the home of the bride's parents.

## WHO'LL GIVE THE FLAG?

No provision has as yet been made for the flag which will fly from the 60-foot pole which is now being erected on the playground. The cost of the pole itself is covered by the donation from the civic association.

The size required should be at least 10 feet in the smallest dimension. Here is a splendid opportunity for some one to make a handsome patriotic tribute and also render a real service to the community at the same time. Call Harry A. Simpon at Narberth 41-83-J.

## Baseball Boys Seek Silver Symphony---Distribute Gifts

Postponed from June 20, 1927, to give a final opportunity to those who have not participated so far, the distribution of the gifts under the auspices of the baseball club will take place on next Monday evening, June 27, 1927, at Davis' on the Rialto.

This is the one annual collection when all the folks are asked to do their little bit, a dollar or two, and many of them never fail, and many more would help if they did not so persistently overlook it.

A mail appeal was sent out some time ago to a selected list who had passed the test which governs normalcy, and it is to these eminent and elegant ones that the request is now made that they shall forthwith sing a sweet song of silver, 10 or 20 dimes' worth, and right over the counter to Genial Gene at the Domicile of Davis, which is the oldest store in Narberth and growing better, like unto good wine, as the years go on.

So, then, if you received the cards by mail, that is your insignia of sterling citizenship, and you are entitled to the keys of the city and the freedom of the bank.

In return, to enable you to retain your noble status, you shall let one or two little dollars go away from you, swiftly and silently, to the excellent exchequer where they belong.

Then you may bask in the happy contemplation that you helped pay for those splendid and snappy new suits, that the new diamond came into being because you wished it so, and that those fine new balls may indeed go over the tracks, never to come back, to be replaced by the generous supply which your cordial co-operation has made possible.

Subscriptions will be called for, if you prefer, or may be made in the dog-gone dugout at the game this Saturday afternoon.

And Fred Walzer will personally autograph all checks which are received and will make sure to speak nicely to his friends at the hearing in the morning.

One or two dollars, please, for your chance at the most glittering galaxy of gorgeous gifts ever distributed on a moon night in June.

## GIRL SCOUTS GET CAMPING AWARDS

Scholarships Announced for Nine Members and Four Leaders.

## CAMP AT ANDRE, MACY

The Girl Scout Scholarship Committee of the Main Line Committee, District Eight, reports that nine Scouts have been awarded Troop Managerships courses at Camp Andre and Camp Tall Trees, for good troop work. Five leaders of District Eight have also been awarded scholarships at Camp Macy for outstanding work during the past year.

Both Andre and Macy are located near Briarcliff, N. Y., the former, an extensive camp for

## FINAL TAX NOTICE

July 1st--next Friday--all uncollected taxes will be turned over for collection to the Sheriff's office at Norristown. According to Borough Tax Collector Edwin P. Dold, the law sets July 1 as the final date for payment of taxes.

Each delinquent has been notified of the approaching time limit, as a matter of courtesy, although the tax collector is not required to do so, according to law. The new tax duplicates will commence going out to Narberth property-owners in July. It is expected that most of them will be mailed before August 1.

## ELECT OFFICERS

Officers for the new year were elected Monday evening at a meeting of the Men's Bible Class of the Presbyterian Church. They are: Ralph L. Rankin, president; George H. Henry, secretary, and J. Q. Mackey, treasurer.

## TWO STANDINGS

Two Main Line League standings resulted from last Saturday's hectic frays. One is the standing according to games won Saturday; the other is the standing after Monday night's Executive Committee declared all three games a forfeit. As a result, Gladwyn moved up to first place and Narberth moved up to second place again, tied with Berwyn and Wayne.

## Original Standing.

	W.	L.	Pct.
Berwyn	4	1	.800
Wayne	3	2	.600
Gladwyn	3	2	.600

## NARBERTH BATTLES BERWYN TODAY FOR FIRST PLACE---PAOLI GAME FORFEITED

One of the best and most exciting games of baseball seen in these parts in a long time is scheduled for this afternoon on the local Community Ground when Narberth plays Berwyn. The game will start at 3.15.

Narberth and Berwyn are old rivals and always put up a good game. Today's contest will be of unusual interest for two reasons. First, Berwyn has been leading the Main Line League and is determined to fight for that place. Second, it will be the first time that Narberth and Berwyn have met this season, and the Narberth boys are particularly anxious to win.

A victory for Narberth today, with Garrett Hill defeating Gladwyn, would throw Narberth in a tie with Gladwyn and Wayne for first place, provided Wayne beats Paoli. Manager Walzer will make use of his strongest lineup.

## \*Twas Close Game.

Narberth was defeated by Paoli last Saturday in a batting contest in which Paoli had slightly the better of the argument. Score, Paoli, 9; Narberth, 8.

Together the two teams scored a total of 30 hits, which would seem to indicate that the opposing pitchers, Townsend and Higgins, were at least theoretically knocked out of the box. But that wasn't the impression that you got from watching the game. Many of the hits went into the far outfield, and fielding is exceedingly difficult in that part of the Paoli grounds. On the Narberth grounds many of these hits would have been outs on both sides and the game much tighter and the score considerably lower.

For Narberth Townsend, Humphreys, Murray and Davis starred at the bat, the latter leading with three hits, while Girard, Tompkins and Matter led the Paoli batters.

## STREET WORK GOES ON DESPITE SUMMER

Chairman Wood, of Highway Committee, Makes Report.

## SEWERS COST \$3334.70

Residents of the borough may be planning summer vacations and leaving for the shore and the mountains, but the work of the Narberth Highway Department is going on as usual. With the new storm sewer on Haverford avenue finished at a cost of \$3334.70 work on other streets is now being pushed to completion.

A report of the Highway Committee's activities was made last week at the meeting of Borough Council by Chairman Wood. It follows:

"During the past month the Highway Department has laid the new storm sewer on Haverford avenue at a total cost up to June 1 of \$3334.70. This includes all labor, material, cement, brick work, cost of lowering gas, water and sewer mains. There will be a few other comparatively

## COMMITTEE PLANS GLORIOUS FOURTH

Flag Raising Will Feature Innovation of New Flag Pole.

## PUBLIC TO CO-OPERATE

Final plans have almost been completed for the Fourth of July celebration to be held on the Community Playgrounds in the afternoon and evening of July 4.

The new 60-foot flag pole will be erected in a few days and a flag raising will be held at 3 o'clock in the afternoon of the Fourth. A little surprise has been arranged for the children and it is hoped the parents will bring them out.

The usual holiday ball game will be held at 3.15. It is hoped a large crowd will attend and root for the team. The band will play during the ball game.

This year the Harold D. Speakman Post, No. 356, of the American Legion requested the co-operation of a citizens' committee and the Narberth National Bank--the latter to act as treasurer. It was felt that the burden was too great and the territory too large to be covered by a few of the most active members of the Post. The new system of appealing to the citizens by circular mail for a contribution of \$1 or more was felt the best plan to reach every one and let them have an active part in the success of the celebration.

The committee has made arrangements for the protection and safety of the children during the fireworks and trust that the parents will also assist in keeping a watchful eye over them.

If you have not sent in your contribution in the return envelope provided you are requested to assist the committee by mailing it as soon as convenient. Their aim is to make this year's celebration the best one our community has ever had.

## BANKING IS SUBJECT

Of Clancy at Rotary Luncheon--Stresses Personal Factor.

The personal factor was stressed by Murdoch Patterson Clancy, vice president of Merion Title and Trust Company, in his speech Tuesday noon at the Rotary Club of Bala-Cynwyd and Narberth, at its weekly luncheon in the Cynwyd Club. His subject was "Banking."

Many considerations are weighed, according to Mr. Clancy, before a loan is granted. The bank official who accepts or refuses loans is a go-between who must be able to report faithfully to his Board of Directors the facts in each individual case before he can make his reply to the applicant for a loan. He is the bank's official "goat," and for appointment to his post he must have many qualifications.

Mr. Clancy, who is a member of the Main Line Kiwanis Club, is a former bank examiner. In outlining modern banking methods, he said that one of the functions of a modern bank is service of a real nature.

Other guests at Rotary's meeting Tuesday were Elmer Althouse and James R. Vanderberry of the Ardmore Rotary Club, Stanley Sullivan of the Edward A. Carroll Company, Pencoyd, and Frank Oglesby, Philadelphia radio soloist, who sang for the club.

Magistrate Fred Walzer, of Narberth, Chairman of the Fellowship Committee, was in charge of the program. Principal E. H. Snower of the Junior High School in Ardmore will be the speaker at next Tuesday's meeting.

Several Narberthites have opened their cottages at the seashore and mountain resorts for the summer. Mr. and Mrs. Gardell Simons, of Wynnedale road, are at Echo Farms, Henryville, Pa.; Dr. and Mrs. F. W. E. Stedem, of 321 North Narberth avenue, and Mr. and Mrs. Samuel P. Bowman and family, of Elmwood avenue, are among those who favor Ocean City; and Miss Nellie M. Wetherill, of Dudley Avenue, left last week for Strathmere, N. J. Mrs. William Bartlett and her two children, of Elmwood avenue, are at Avalon, N. J.

Miss Anne C. Compton, of 198 Woodbine avenue, left last Tuesday for Camp Caledon on Lake Erie, where she plans to stay for two weeks. She will visit friends in Ohio before returning home August 1.

Mr. and Mrs. L. H. Trotter and their daughters, Miss Helen Trowbridge and Miss Nancy Trowbridge, of Woodside avenue, will leave shortly for Stinson Lake, N. H., where they will open their cottage for the summer.

Among those who spent last week-end out of town were the Misses Betty Otto, Almira Gregory, Eleanor Michaelson, Elizabeth Terry, Virginia Eyre, Betty Robb, Madeleine Baughman, Dorothy Clevenger, Miss Eames and Margaret Robinson, who were at Oak Orchards, Del. Miss Betty Maguire, of Grayling avenue, and Miss Sophie Miesen, of Merion avenue, enjoyed the sea breezes at Atlantic City.

## CHURCHES UNITE

Hold Union Twilight and Mid-week Services.

As has been the custom for many years, the Protestant Churches of Narberth will hold union twilight meetings during July and August. This summer the meetings will be held on the lawn in the rear of the new Lutheran Church at the corner of Narberth and Woodbine avenues.

The opening meeting will be held on Sunday evening, July 3, and will be a patriotic service. The address will be delivered by Hon. Fletcher Stites. On the succeeding Sunday evenings each of the four churches will be responsible for furnishing the preacher and music in the following order of rotation: Methodist, Presbyterian, Baptist and Lutheran.

Union prayer meetings will also be held during the summer on each Wednesday evening. The opening meeting will be held in the Baptist Church on the evening of July 6 and will be conducted Rev. Rufus H. Bent.

## WEEK WETTEST

Since Fall--Weather Man Says Main Line Had More Rain Than Philadelphia.

"The rainfall of the week was the heaviest 24 hour fall since November 16, of last year," according to Main Line Weather Observer Charles Decker, of Narberth. "It was considerably more than was recorded in Philadelphia."

The precipitation for the week was 1.57 of an inch. Since June 1st the total precipitation for the month is 2.71 inches. The barometer was high at 30.26 and low at 29.91.

A continually increasing deficiency in temperature is due mainly to the low night temperatures, according to the Weather Man. The thermometer fell from 82 to 45 degrees in the course of the week. Since June 1st the temperature deficiency is reported as 89 degrees. For the same time last year, however, a closely similar deficiency of 87 degrees was recorded.

## PICNICS TODAY

The Lutheran Sunday School picnic will be held today at George's Hill, Fairmount Park. Trucks will leave from in front of the church at 1 P. M. Friends are cordially invited.

The Presbyterian Church is also holding a picnic this afternoon at Fairmount Park. The Senior Endeavor Society of the Presbyterian Church will picnic at the same time at Valley Forge.

## VACATION NEEDS

Readers who go to the shore, mountains or country are invited to send "Our Town" brief mention of their vacation trips for the "Fireside."

Temporary changes of the mailing address of subscribers will promptly be made if "Our Town" receives them directly. Otherwise, post office clerks will be obliged to re-address copies and forward them a day late.

To newsstand buyers who may wish to read their local paper while away it is suggested that a year's subscription costs only \$1.50, and that "Our Town" is forwarded to the summer address of all subscribers who so direct.

Thursday afternoon is the final date for receiving copy for each week's paper. Contributors are requested to send in their material earlier in the week, where possible.

## MISSED PAPER

Sir: Since our establishment here in Ocean City I have been vaguely aware of a void—a void deep and profound that has been a very real trouble, principally for the reason that I did not comprehend the cause of it. Just now, however, a view of the local sheet published here in Ocean City awakened within me understanding, the void is the non-appearance of the regular Saturday copy "Our Town." So please be sure in the future to mail our copy to our Ocean City address, 1422 Central avenue, and all will again be well.

Respectfully,  
F. W. E. STEDEM.

## Siren Will Stick to Fires Because Chamber Really Didn't Want Curfew

The siren of the Ardmore Fire Company will continue on fire duty only and will not moan a curfew call to Ardmore's youngsters. Hard working news scribes with an eye to good "copy" had hoped for better, but it all petered out at the June meeting of the Ardmore Chamber of Commerce held Tuesday night in the Y. M. C. A. Building.

When the merchants of Ardmore Town assembled, it was explained that the Chamber of Commerce had never intended seeking a curfew law to clear the streets of minors who kept unseemly hours, as was reported after its May meeting. The Chamber had been maligned and misrepresented. A few members had talked about a curfew as a solution, a few citizens prominent in school and police activities had been invited to speak on the problem and a request had been sent to the Lancaster Chamber of Commerce for a report on the curfew law which is in effect in that village—but a curfew really had not been considered.

This was the explanation made Tuesday when Superintendent Smith, of the Lower Merion police, one of those invited to speak, appeared before the Chamber. Superintendent Smith reads the newspapers and he was under the impression that the merchants wanted a curfew law. He started speaking along these lines—but was corrected by Vice President Harry C. Bare, who presided at the meeting.

"We really don't want a curfew law," the chair explained. "It was just mentioned incidentally in connection with complaints that some members made about the street corner lounging and the late hours which many of the youngsters indulge in."

"I am glad to hear that you don't," Superintendent Smith declared. "A curfew law wouldn't get us anywhere and the police would not be able to enforce it anyhow. The matter of keeping youngsters off the streets at night is really up to the parents. Passing a curfew law would only be passing the buck to the police."

Mr. Smith assured the Chamber that his department would give its fullest co-operation to plans tending to break up the practice of lounging at night on street corners which some groups of young boys had taken up. Rather than going after the youngsters themselves, with whom it was admitted that much could not be done if the parents were lax, it was declared that shop owners and merchants at whose places of business these groups gathered, would be asked to aid in discouraging the practice.

### FARE RAISED

By Philadelphia and West Chester  
Traction Company—Effective  
July 20.

Increase in its passenger rate to a flat 10 cent fare to become effective July 20, was announced Monday by the Philadelphia and West Chester Traction Company, which operates suburban lines out of the Sixty-ninth street terminal.

The proposed change in rates, application for which has been filed with the Public Service Commission, abolishes entirely the seven and one-half cent tickets, which are now sold in strips of four for 30 cents, and increases the straight cash fare from eight to 10 cents.

The new tariff will affect thousands who use the lines to reach their homes in Upper Darby township, Springfield, Sharon Hill, Ardmore, West Chester, Media and many other towns. It is understood that Haverford township will protest the fare increase.

## SATURDAY CLOSING ORDER

By the Narberth Coal Company

Beginning Saturday, June 18, our yard and office went on summer schedule. They will be closed each Saturday until the end of August.

Our customers, we know, have many more delightful plans for these lovely summer week-ends than having their next winter's coal supply delivered, and so we conveniently switch all our deliveries to the remaining five good working days each week for the next two months. Everybody happy?

Business as usual the rest of the week.

## HOMELIKE

Just as the name implies  
a home laundry service

If you like to have all your washing and ironing done, and at a price that's almost unprecedented for such complete service, you'll want to try our Homelike Service.

Everything is washed sweetly clean in pure water. Then we iron everything—Dresses, Shirts, Skirts, Childrens' Clothes—and finally, such few pieces as need it we touch up around the Cuffs, Neck, etc., with a hand iron. All you have to do is lay your things away—no laundress to bother with, no mussy, steamy work in the kitchen or basement; a whole day for additional leisure gained.

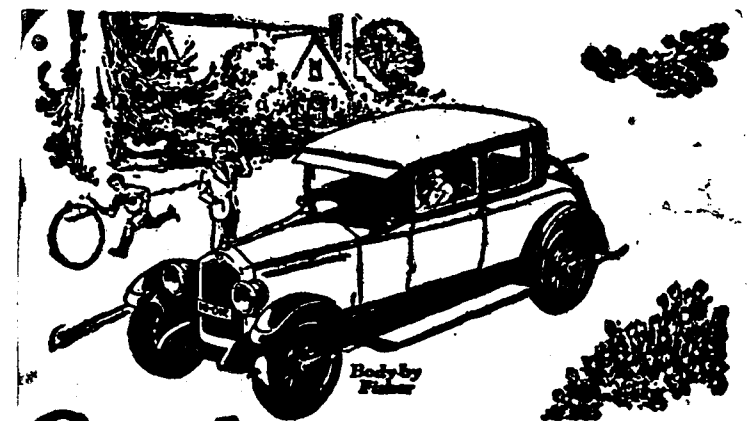

Because of the very moderate charge we make for this service we use no starch.

## Zoning Ordinance Causes Change in Exclusive Wynnewood Section

Lower Merion's recently adopted Zoning Code, although approved by most residents, has caused changes in the exclusive residential section at Wynnewood even more conspicuous than in the J. Franklin Moss tract near the Barnes Foundation in Merion.

"Unrestricted frontage—zoned for business or apartment," is the legend on a sign which recently made its appearance facing Lancaster avenue on the Wynnewood property of Pierce Archer, Jr. The sign marks the beginning of the end for one of the Main Line's most exclusive residential sections.

Mr. Archer might be classed as Wynnewood's "oldest living inhabitant," because in 1885, when his house was built, it was the first in that section. Within a very few years the Archers were followed by the Clothiers, Harrisons, Benwinds, Disstons and Shortridges.

Now that traffic has increased to such an extent on Lancaster avenue, and since that section has been zoned for business by the recent Lower Merion ordinance, many of the fine old places have been placed on the market, and the residents either have moved or are planning to move to a strictly residential section.

The transition from a stately, exclusive residential section will not come quickly, of course, even though technically it is now a business section. Some of the older residents say that they will not see it in their lifetime, but the fact remains that before long the Main Line will undoubtedly lose one of its most beautiful and charming features.

## Why we sell the DUNLOP TIRE

FOR 39 YEARS Dunlop has been building the world's supreme tire. Dunlops wear longer because Dunlop knows how to build better at each vital point.

Take the hidden carcass beneath the tread. Dunlop owns its own cotton mills for no other purpose than to spin the best long-fibre cotton into the famous cable-twist cord that goes into this carcass.

The extra strength in these cords means an added factor of safety against constant load and pounding of roads—longer life and greater mileage.

The extra "stretch" enables the carcass to give under severe blows, and to come back into its original position without internal injury.

The Dunlop tread—the toughest rubber development known—wears slowly and smoothly, making sure that you get out of your Dunlops, all the extra mileage that added care and longer experience have built into them. We recommend that you put Dunlops on your car.

## PHONETIC SPELLING

CONTINUED FROM THE FIRST PAGE

vowel sounds. Phonetic provides a distinct sound for each letter, and each letter is pronounced only one way, in whatever combination it may be employed. The 16 rules of Phonetic as copyrighted by the author are printed on only one ordinary size sheet of letter paper. No great study is necessary to master them.

One advantage of the system is that it may be adopted by degrees, by gradual application of only a few rules at a time. A tremendous saving in time for every person who writes is looked for by the inventor. And dictionaries, books, papers and magazines will not be so bulky, when the many savings in letters are adopted. Phonetic abolishes the tedious spelling of words like "Worcestershire."

"Makes English Easier."

"It is universally acknowledged that the English spelling so far adopted has neither system nor logic, from a scientific standpoint," says Dr. Botelho. "Dictionaries are at present provided with so-called pronunciation guides, which vary according to the compiler and publisher, and which result in more confusion, especially for a foreigner trying to learn the language."

In order to accomplish the ideal of many, to make the English language the universal language, standardization of its spelling is regarded necessary. Phonetic claims to accomplish this with readily grasped simplicity.

Many words already spelled in the efficient Phonetic manner remain unaltered, such as adz, at, and, bet, cat, dog, gun, amount, swept, swim. Others are changed to provide uniformity or standardization in a scientific manner, by giving a definite sound to each letter. All haphazard combinations are eliminated.

Typical changes are: phonograph to fonograf; telephonic to telefonik; phlegm, flem; back, bac; backs, bax; blocks, blox; cough, cof; rough, ruf; bough or bow, bou; bought, bot; agile, ajil; sorry, sori; course or coarse, cors; kick, cic; Bill, Bil; wall, wal.

Q is replaced by hard c, which also replaces k. "Quack" becomes "cuac." Y, when pronounced, is written i, and when unpronounced is not written. An acute accent is placed over the letter c to designate a soft ch sound, and over the letter n to indicate ng. Thus, "church" is spelled "cure" with an acute accent over each c. "Singing" is spelled "sinin," with an acute accent over each n.

Perhaps little school children will soon be taught to read Phonetic, somewhat as follows: "Bil bot a fonograf at Crismas. Bil bot a cou. Bil tot cou to cic. Cou cic tot fonograf. Fonograf cof. Angri. Bil cic cou. Ajil cou cic Bil bac. Bil sori."

Dr. Botelho is already booked up for a radio talk and a magazine article on his system for standardizing spell-

who presented the recently appointed assistant rector, Rev. Henry C. O'Connor. Father O'Connor conveyed the regrets of the rector, Rev. Robert F. Hayes, for his unavoidable absence and made the type of address left little doubt that the new curate had the kind of a way that will be sure to be of excellent service to him and to those he now starts to serve.

Plan Demonstration.

Among other things, plans were started for the annual Holy Name demonstration, a great conclave of men who proclaim by public profession the necessity of religion, for the fortitude it brings to their own earnest purpose, and also in recognition of the value which exemplary example and inspiring influence have on others. The primary object of the society which started in the year 1274, is to beget due love and reverence for the Holy Name of God and Jesus Christ. Its secondary object is to suppress, by reasonable means, blasphemy, perjury, forbidden oaths and profanity.

The meeting was addressed by Rev. John D. McCarthy, S. J., who stated that it was futile to aim for lasting character unless spiritual motives governed the individual, and he claimed that permanent morality without religion was an altogether insuperable thing. The speaker pointed out that the tree flourishes long after the roots are impaired, and, in like manner, some vestige of moral procedure may remain, the speaker stated, after the force which gave it vigor had disappeared. But such a condition, it was claimed, must be transient and it was declared that the history of humanity proves that this is universally the case.

Rt. Rev. Monsignor James P. Turner, D. D., the Spiritual Director of the Archdiocesan Union, also spoke to the delegates, complimenting them on the fruitful results which their societies were securing and urging them to increased endeavors in behalf of a practical, living faith on the part of those who are enrolled in the lists of the Holy Name.

## DOUBLE FAULTS

(By THE TENNIS CLUB BARD)  
William J. MacKay

A man who surely likes to play, is gentle, genial Bill MacKay. His service style is quite unique. And helps him hit a winning streak. He also likes to storm the net. He may become a player yet.

H. C. Fenno  
Here's to our old friend, Dick Fenno. The hardest worker that we know. This fact became so evident. We made him our Vice President. He grips his racket firm in hand. And round his head wears a white band.

W. P. Davies  
Bill Davies is our President. A man with face quite innocent. The flappers say he is a peach. The fruit of all the good we teach. He's quite the ardent tennis fan. And every inch a man's man.

James C. McKell  
A man who plays the game quite well. He likes to lob. He likes to smash. He plays the same with left or dash. He gives his racket quite a twist. And has the stroke of an artist.

Edward Davies  
Edward Davies is a kid. Who never seems to wear a lid. This makes him have the cutest curls. The envy of the straight-haired girls. And though in manner he's quite meek. He really is an awful sheik.

Richard M. Gillis  
A friend we certainly would miss. Is happy, handsome Dick Gillis. With racket gripped in his left hand. He always makes a valiant stand. The color of his hair, dear sir. Is that which gentlemen prefer.

Walter R. O'Sullivan  
Our Walter R. O'Sullivan. Has locks of grey and cheeks of tan. He is a civil engineer. Maintains efficient running "gear." His "surveys" of the court are true. His cross-court shots are in "plumb" too.

Howard F. Kalrer  
A man with most engaging smile. The kind for which you'd walk a mile. He's a happy, hearty fellow. A very excellent tennis player. He may become a champ at that. Unless, of course, he grows too fat.

Robert M. Savill  
A boy I like is Bob Savill. He goes at things with quite a will. And one that's mighty fast from fame. His only fault I can't forgive. Is that he plays a big hand.

Allen W. Cameron  
I like that guy, Al Cameron. He's quite the handsome, dashing Don. He has a real distinctive serve. Which gives the ball a funny curve. He very often makes me sweat. For he's a big bulldog from Yale.

Carl B. Metzger, Jr.  
Carl Metzger, Jr. is a boy. Who to his mother is a joy. He runs a little green Ford car. But from his home he wanders far. He likes to play tennis by the hour. But best of all he likes the shower.

Carl B. Metzger, Sr.  
Carl Metzger, Sr. is one who greets all with pleasing "Howdy do." He doesn't play much tennis now. Though at the club's staunchest friend. I vow. He hasn't too much hair to hide. He's not too late for Herpicide.

Lines to a Player

A squirrel came on the courts one day. While all the men did tennis play. What does he want, this nature's pet? For tennis is the game he loves best. Judging from the way he struts. He must be after tennis nuts.

## HIGHWAY REPORT

CONTINUED FROM THE FIRST PAGE  
small items of expense to be added to the construction cost and, in addition, there remains the expense of resurfacing the street where the ditch was dug.

"It is desirable not to do the resurfacing immediately after the ditch is covered over, but to wait until it has had time to settle somewhat."

"It is our intention to go ahead and complete the resurfacing during the present month and, in connection with it, we recommend that we be authorized to remove entirely a section of the concrete gutter on the south side of Haverford avenue from Shea's corner so-called, easterly to a point approximately in front of the fruit store."

"That section of concrete gutter has settled and cracked since the drain was laid. From the point in front of the fruit store, easterly to the corner of Narberth avenue, it was necessary for us to demolish the concrete gutter."

In place of restoring the concrete gutter, we will resurface the street and the curb so that there will be no break between the cartway and the gutter."

"Also during the past month we laid the new storm sewer on Chestnut avenue, but that work had not been entirely completed at the close of the month and a detailed report on it is not yet possible."

"During the month of May 102 notices to repair sidewalks and curbs were served on property owners. The time allotted for the property owners to make these repairs has now expired and it is our recommendation that this committee be authorized to proceed immediately in the case of all delinquents and to see that, after the necessary legal requirements have been complied with, these repairs are installed at the expense of the borough and billed to the individual property owners at cost plus the 10 per cent. penalty which is provided by ordinance."

"A total of \$1076.35 was spent for material during the month of May, exclusive of that purchased for storm sewer construction work. In addition, \$1100 was spent for repairs, divided as follows: Street maintenance, \$43.90; street cleaning, \$156.44; ash collections, \$213.68; rent of roller, \$11.02; sewer maintenance, \$28.80; work on playground, \$76.24; work on ball field,

\$11.50; work on Haverford avenue storm sewer, \$558.42. During the month of May we collected 242 cubic yards of ashes.

"Seven permits for depositing materials on the highways were granted during the month of May and the fees for them totaled \$29. In addition, one permit was granted to Mr. Maurice J. Lacy, who opened three square yards on Haverford avenue. The fee for that permit was \$27."

## NEW ASSISTANT AT ST. MARGARET'S

Rev. Henry C. O'Connor Transferred.

Rev. Henry C. O'Connor has been made assistant rector of St. Margaret's Roman Catholic Church and with his advent there shall be four Sunday masses henceforth, at 7, 8, 9 and 10:30 o'clock, instead of three as heretofore.

Father O'Connor was born in St. Agatha's Parish in West Philadelphia and is a graduate of the Roman Catholic High School. From there he went to St. Charles' Seminary, at Overbrook, and was ordained to the priesthood on June 10, 1922, by Cardinal Dougherty.

His first charge was at All Saints' Chapel in the Philadelphia General Hospital and he also served for three years in the Immaculate Heart Parish at Chester. In 1925 he was transferred to St. Bernard's at Easton, where he has been until his present appointment at Narberth.

## GIRL SCOUTS

CONTINUED ON THE SECOND PAGE

Junior girls and the latter a National Training Camp for Girl Scout leaders recently given by present, only a small number have done so.

"The money has been coming in very slowly," George W. Selby, vice president of the Neighborhood Club and chairman of the general committee, said this week. "With only ten days left before the celebration program goes on, we have collected less than \$200. Nearly four times that amount will be necessary to put the thing over successfully. We want from our neighbors a one hundred per cent. investment in patriotism and they can do that by investing 100 cents in the Fourth celebration. Donations should be made to Harry Ferreria, treasurer of the committee."

The celebration will include patriotic exercises; selections by the Bala-Cynwyd Boys' Harmonica Band, recently organized, and sports events for boys and girls. Numerous prizes will be awarded.

Meeting Next Week.

A meeting of the general committee to take up final plans for the affair will be held early next week. Sub-committees were appointed at the last meeting to handle the various details.

These committees are: Publicity, T. Ewing Montgomery, chairman; Irving Hall, Martin P. Glynn; Sports, Yern Jorgenson, chairman; Walter Faries, announcer; Dr. E. H. Campbell, J. Rea Patterson, A. J. Christie, W. E. Parsons, Jesse T. Smith, R. C. Alexander, Harold Phillips, R. O. Davidson; Grounds and Prizes, Harold McGeorge, F. H. Seely, Nevin Fry; Girl Scouts, Mrs. E. S. Higgins, Mrs. Warren C. ## HOW TO MAKE

## Aeroplanes. New Book at Library Gives Full Directions.

With Lindbergh and Chamberlin foremost in the minds of all the boys of Narberth, the library is glad to be able to announce at this time the purchase of "The Boys' Book of Model Aeroplanes," by Francis A. Collins. The fact that Lindbergh specified the plane he wanted and supervised the assembling of it will no doubt arouse a keen interest for modeling planes.

The library is fortunate to be able to offer this book, which is illustrated with many photographs and diagrams. With the help of this book any boy can build a model aeroplane which is certain to give a good account of itself. The long distance record for these ingenious little crafts is at present over one mile. The present amazing development of the model aeroplane has come about by the ingenuity of thousands of boys the world over.

Model aeroplane flying has definitely taken its place among the most popular of boys' sports. The materials required for building the most efficient models are very inexpensive and no tools are required except those usually found around the house. The sport is well organized throughout the country. In scores of cities and towns model builders have founded clubs, which hold tournaments at frequent intervals.

"The Boys' Book of Model Aeroplanes" besides being a good book of aeronautics contains rules for conducting model aeroplane contests. There may also be found a constitution and by-laws of a model aeroplane club. Then, too, and perhaps even more important, there is a dictionary of aeronautical terms.

The following is a complete list of the books added to the children's department this month:

## ENDORSE HOWER

CONTINUED FROM THE FIRST PAGE

Mr. Johnson assured his callers that the resolution would be given every consideration. Further than that he did not commit himself. It was not expected that he would. The action was taken to strengthen the candidacy of Mr. Hower by presenting him as the formal selection of the large Lower Merion-Narberth wing of the organization. No immediate declaration for or against him was expected from the county leader.

The only three who have so far been favored are County Commissioners Stout and Crawford and Judge Harold Knight, a Pinchot appointee who will seek nomination on the Republican ticket in the primary.

A veteran of many vigorous political campaigns, Johnson has made it a practice to give no endorsements until late in the season and just before the active work in rounding the voters up behind a ticket must begin. Thus no official candidates are set up as targets for opponents—fewer mistakes are made in endorsing men who may not develop as much strength as rivals. Also many who might join with the opposition if officially rebuffed, hold off to the last minute, lured always by the prospect that they might in the end be favored. When they find that they are out of the counting, they must organize hurriedly if they are to fight and that places them at a decided disadvantage.

It is the old army game and it has been worked to perfection this season by Johnson. No one knows just where he stands and none will until two weeks from now when it is declared that the county leader will finally make known his interpretation of the candidates which the organization favors.

In giving his thanks to the Republican Association for its endorsement, Mr. Hower outlined briefly, Friday night the county political situation as he saw it.

Sheriff Fox who is limited by law to one term in that office, is also a candidate for treasurer. The belief was expressed that Fox is a candidate of the "court house crowd," a group of present office holders who want to perpetuate their hold on county patronage. It was also intimated that he was placed in it was also to strengthen another's candidacy.

## Refused to Switch.

Overtures had been made to him, Mr. Hower declared that he switch to another office, preferably county controller, in order to leave the way open for Fox to get the treasurer's post. These he had refused to two principal reasons.

One was because Lower Merion in the next election four years hence, wants and confidently expects a county commissioner. It has never been the practice to pick a county commissioner the following year from a district which has just held the office of county controller. Therefore the switch of Hower from treasurer to controller would injure Lower Merion's chance for the big county post next time.

Reason two for refusal to change over was because the move smacked too much of an effort to make use of the Lower Merion candidate as a cat's-paw in an attempt to out independently minded Controller William C. Irwin, who is a candidate for re-election to office. Mr. Irwin has many enemies in the organization camp who would like to see him go and these would be only too willing to back any organization man who would care to make war on him. Irwin, however, has a strong backing among the League of Women Voters and other independents. Further more he is popularly regarded here as an excellent choice for another term as controller because of the fine record which he has made in the past four years.

Two big reasons and all of them conclusive. Mr. Hower ended by assuring the organization that if, in its final judgment, it should wish to back the candidacy of another man from Lower Merion-Narberth district, he would be perfectly willing to withdraw his claims for consideration.

The early part of the meeting was devoted to a long talk by President Hess in which he gave a detailed summary of the township and the county political situation. He stressed the need for harmony in Lower Merion, pointing out what happened last year when factions here began bickering with each other.

Taking advantage of the lack of a united front, leaders of other sections made a dash and "cut" the Lower Merion man who had been accepted on the regular slate for sheriff.

and he was defeated. Commenting on the township situation, President Hess pointed out that seven commissioners were among the candidates to be nominated this fall. It was not the policy of the association to take part in these elections which were district affairs, but he expressed it as his personal opinion that the present commissioners whose terms expire, had shown themselves capable public servants and felt that individually they should all be returned to office.

Before the meeting closed President Hess invited the members of the association to be his guests in September after the primary at another picnic, similar to last year's, which he will give.

The next meeting of the association will be held the second week in July. That session will be just before nomination papers for candidates go into circulation. At that time, the county slate will be definitely known and the association will know what action to take on candidates.

The death of Judge Solly, of the Orphan's Court, which occurred last week, came too late for discussion by the association at its meeting.

The vacancy on the county bench which this created, it was feared, at first, might complicate the county political campaign this fall. There were rumors in Norristown early last week that Judge Knight, who is a candidate for re-election on the Common Pleas bench, would be appointed to the vacant Orphan's Court judgeship open to another candidate. These reports were discounted by political observers here.

## Can Have Appointment.

It was pointed out that County Leader Johnson, who was appointed Secretary of the Commonwealth by Governor Fisher for his activities in support of the Fisher campaign last year, is in close touch with the Governor. Any candidate Johnson recommends for the Orphan's Court vacancy is certain of appointment. As Judge Knight is a strong candidate already for the Common Pleas post, it is pointed out that it would be foolish to switch him to the appointive position and put in a weaker candidate in his place. By putting up a "dark horse" candidate for the Orphan's Court appointment and going to the polls behind Judge Knight, Johnson is assured of what he wants in both places with a minimum of fighting.

The county leader left Sunday on a trip to Harrisburg. Political dopesters professed to see in that something which would affect the Orphan's Court vacancy.

## ODDITY SHOPPE MOVES

Will Open Larger Establishment Across the Street.

Another attractive innovation in Narberth's business section will be made Friday, July 1, when the Oddity Shoppe, 104 Forest avenue, will occupy its new quarters diagonally across the street, on the northeast corner of Forest and Haverford avenues.

Work has been going on for some time on the addition to the building which now houses Cotter's Market and the McIntyre store, and although the corner store was scheduled to be completed June 15, it is expected that it will not be until July 1 that it will be ready for occupancy. The store is 16 feet wide, and extends back 60 feet along Forest avenue to Dando's new store in the Y. M. C. A. building.

Interior decorating of household draperies and furniture will be added to the many other functions of the Oddity Shoppe, which already runs a circulating library and a varied line of notions and gifts. Furniture on display will include reproductions and some very old antiques. Some rare imported linen will also be on display.

In the rear of the new store, facing Forest avenue, the Oddity Shoppe will run an attractive juvenile department for children from infants to eight-year-olds.

## WHERE'S HELEN?

"Where's Helen?" a comedy in two acts, will be presented by the Lutheran Choir Thursday evening at 8.15 o'clock. If it is an especially warm evening the church basement is the coolest spot in town, so two treats may be enjoyed at once. The proceeds from the silver offering will go toward the organ fund.

Mr. and Mrs. Charles Decker, of Wynnedale road, have Mrs. Decker's sister as their guest for several days. Mrs. Decker will leave next Wednesday for Maine, where she plans to stay until the latter part of September.

## TENNIS CLUB NOTES

Yes, we are going to have dinner at the clubhouse again this Saturday, the 25th. This week it will be in charge of Mrs. C. B. Metzger. As usual the public is invited, but we would like to know in advance if possible the number for whom to provide.

Make your reservations by calling Mrs. H. R. Paige, Narberth 4153. The dinner was a success last week and we hope to continue them each Saturday evening.

The four-team tournament started off very nicely last Saturday and quite a little progress was made with the matches. Find out who you play on the other three teams and get busy and add a victory for your color.

The captains are urging that as many as possible get out and play at least one of their matches off this week-end.

## BACK FROM HONEYMOON

Mr. and Mrs. Wallace D. Traver returned recently from their honeymoon. They were married at St. Davids on May 31. Mrs. Traver, before her marriage, was Miss Janet E. Herr, of 219 Dudley avenue, Narberth. Mr. Traver formerly resided in Philadelphia. The couple are now making their home on Dudley avenue.

## HOLD FINAL MEETING

The final meeting for the summer of the Needlework Guild was held last Wednesday at the home of Mrs. A. H. Mueller with 19 members present. Many plans were discussed for the coming fall work in an effort to make it greater and better.

Any women in the town who would care to affiliate with this organization are invited to call Narberth 3818 for information. Every woman is urged to become interested either as a director or a contributor.

## ON TOP

St. Margaret's defeated Bala by the score of 8-7 last Wednesday, after a three-run rally in the last inning. Brennan and Whittingham starred. Last Saturday they defeated Our Lady of Lourdes by the score of 14-8, Brennan pitching and Chain O'Keefe fielding well.

The playground will be open during July and August beginning Friday, July 1. The instructors will be in attendance from 9 to 12 and from 1 to 4 daily, except Saturdays when the afternoon session will be omitted.
